FINANCIAL POLICY STATEMENT

Understanding your financial responsibility is an essential component in establishing and maintaining a strong patient/practice relationship. In order to achieve this, we offer the following information regarding our insurance and financial policies.

Your insurance is a contract between your insurer and you. It is your responsibility to know and understand the terms, guidelines and limitations of your plan. It is also your responsibility to advise us of any changes in your insurance, your address or your employer. Please verify, with your insurance company that Holly DeBuys, M.D. is an “in network provider” for your insurance

Medicare & Contracted Insurance Plans

If you are on traditional Medicare or are a member of a health plan that we participate with, we will submit your claim to your insurance company. Our staff will verify your benefits and collect any copayment, co-insurance, and deductible at the time of service, as required by your insurance carrier.

You will be billed in full for any services that your health plan considers a non-covered service.

Secondary/Supplemental Insurance Plans

We will file secondary and supplemental claims as a courtesy. In the case of non-contracted secondary carriers, the balance will become patient responsibility 30 days after that claim is filed.

Non-Contracted Commercial Insurance Plans

If we do not participate in your insurance plan, payment in full will be required at the time of service. You will receive an itemized statement, which you may then file with your insurance carrier. Please be aware that your out-of-pocket expenses may be higher when seeing an out-of-network provider.

Minors

A parent or legal guardian must accompany all patients under the age of 18 to authorize treatment and financial arrangements. If this is a custodial parent, we can submit the charges to another parent’s insurance, however, the parent presenting the child for care will be billed for the balance not covered by the insurance. Any patient over the age of 18 will be held financially responsible for all charges incurred.

Missed Appointments

Missed appointments represent a cost to us and to other patients who could have been seen in the time allotted. Cancellations must be made 24 hours in advance of the scheduled appointment or we reserve the right to assess a fee.

Medical Records

Copies of pathology reports are provided to you or another physician at no charge. Any additional medical records requests and/or completion of forms (e.g. disability, life insurance, cancer policies etc.) are subject to processing fees determined by state law and contractual agreements. Please be advised that medical records requests require time to be processed and cannot be provided the same day requested.

Pathology/Laboratory Fees

Compassion Dermatology sends biopsy specimens, and many tests, to outside laboratories for processing and interpretation. The laboratory will typically bill your insurance; however, you may receive a bill from the outside lab for any outstanding balance. We have no control over the laboratory billing. You must contact them directly regarding any bills. If your insurance policy only covers specific laboratories, please be sure to inform the office staff prior to the test being performed.

Cosmetic Services

Patients are financially responsible for all cosmetic procedures at the time of service. This office does not bill insurance companies for cosmetic procedures. All applicable cosmetic fees will be discussed prior to the initiation of treatment.
